THE BLUE AND THE GRAY.

F. M. Finch's poem first appeared in the issue of Atlantic Monthly for September, 1867, page 396. It had under its title the following quotation from The New York Tribune:

"The women of Columbus, Miss., animated by nobler sentiments than are many of their sisters, have shown themselves impartial in their offerings made to the memory of the dead. They strewn flowers alike on the graves of the Confederate and of the Federal soldiers."

By the flow of the inland river,  
When the fleets of iron have fled,  
Where the blades of the grave-grass quiver,  
Asleep are the ranks of the dead:  
Under the sod and the dew,  
Waiting the judgment day:  
Under the one, the Blue,  
Under the other, the Gray.

These in the rollings of glory,  
Those in the gloom of defeat,  
All with the battle-blood gory,  
In the dusk of eternity meet:  
Under the sod and the dew,  
Waiting the judgment day:  
Under the laurel, the Blue,  
Under the willow, the Gray.

From the silence of sorrowful hours  
The desolate mourners go,  
Lovingly laden with flowers  
Alike for the friend and the foe:  
Under the sod and the dew,  
Waiting the judgment day:  
Under the roses, the Blue,  
Under the lilies, the Gray.

So with an equal splendor  
The morning sun rays fall,  
With a touch, impartially tender,  
On the blossoms blooming for all:  
Under the sod and the dew,  
Waiting the judgment day:  
Brothered with gold, the Blue,  
Nellowed with gold, the Gray.

So, when the summer callith,  
On forest and field of grain,  
With an equal murmur falleth  
The cooling drip of rain:  
Under the sod and the dew,  
Waiting the judgment day:  
Wet with the rain, the Blue,  
Wet with the rain, the Gray.

Sadly, but not with upbraiding,  
The generous deed was done:  
In the storm of the years that are fading  
No braver battle was won:  
Under the sod and the dew,  
Waiting the judgment day:  
Under the blossoms, the Blue,  
Under the garlands, the Gray.

No more shall the war-cry sever,  
Or the winding rivers be red;  
They banish our anger forever  
When they laurel the graves of our dead:  
Under the sod and the dew,  
Waiting the judgment day:  
Love and tears for the Blue,  
Tears and love for the Gray.

Japanese Matting!

We have fifty different patterns in Japanese Matting and they are as fresh and handsome as matting can be—and freshness means everything in matting. The styles of a year ago may be equally handsome in appearance, but they have nothing of the life and durability of fresh, new matting. These are soft and pliable and present many novel designs. 15c, 19c, 25c, 35c a Yard.

SMYRNA RUGS!

When they are good, they are very, very good—and the rest of it. Here is a substantial lot of these popular Smyrna Rugs of the very good kind—and you can take our word for it—at a sharp reduction from the regular prices. Alex. Green Severely Hurt While Preparing Whitewash.

Yesterday morning Alex. Green, colored, was preparing whitewash at the home of Mrs. Eliza Richeson in West Third street.

While pouring water on the lime, the latter exploded, the powder setting in Green's face and in his eyes.

The sight of one eye had been destroyed some time ago, and from the severity of the burns of the lime it is probable that the sight of the good eye will be lost.

He was also quite severely burned about the face.

The losses on the school building at Carlisle, which burned last Saturday, have been settled in full.

# The Wastes of the Body.

Every seven days the blood, muscles and bones of a man of average size lose two pounds of worn-out tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions the strength lets down, health gives way and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures indigestion, dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by J. Jas. Wood & Son.

# People Who Can't Sleep.

Many people go to bed—not to sleep, but to think—to tumble and toss—to get up, walk about until tired Nature gives way and a few fitful hours of sleep are obtained just before dawn—a sleep that does not rest—a sleep from which one wakes weary and tired, wholly unfitted to take up the daily routine of household, shop or office duties. That this condition goes on uncared for is almost criminal, when the well-known, time-tried and tested powers of Dr. A. W. Chase's Nerve Pills to give restful natural sleep have been so fully proven in such cases.

Mr. F. Jones of No. 107 Union street, Maysville, Ky., says:

"I was troubled with nervousness, sleeplessness and dizziness. Hearing of Dr. A. W. Chase's Nerve Pills I decided to try them. I got a box at Chenoweth's Drugstore and as a result of their use my nerves are again steady, I sleep well and have no more of those distressing dizzy spells. I can truthfully recommend this medicine as an excellent nerve tonic."

Get a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every package.

# Made a Garden

Owing to the long drouth gardening has been very backward this Spring. If you have not started your garden yet, there is still time to do it and get nearly as good returns as those who planted earlier. Especially will this be the case if you get the seeds here. Our seeds are all of last year's growing, and were given the attention needed to produce the best seed. We have all the choicest, quick-growing varieties and they cost not one cent more than what you would have to pay for questionable seed. As the season is so late better not take any chances—get your seed where only good seed is sold—that's here.

# FAIR APPROPRIATIONS

Made by Different States Nearly Four Millions.

ELABORATE DISPLAYS TO BE MADE.

Real Value of All Will Be Over \$10,000,000—Legislature Failed to Add Kentucky, But She Will Be More Adequately Represented Than If It Had.

Appropriations for state buildings and exhibits at the World's Fair, St. Louis, in 1904, at the present date amount to \$3,955,500. To this sum may be added \$1,754,500 in hand or being raised from other sources. Bills are pending in the legislatures of sixteen states, aggregating \$1,427,000. Of these bills all are reasonably sure of passing, making a grand total of \$7,167,000 to be expended in showing to the world the industries and resources of the different sections of this country. The legislatures of twelve other states will convene in time to supplement this total and increase it many thousands of dollars. Many states have exhibits already collected worth thousands of dollars, which have been used at former expositions and others that belong to individuals. These are not included in the total. The real value of state exhibits at a very conservative estimate will be over \$10,000,000. The total amount expended for state exhibits at the World's Columbian Exposition at Chicago in 1893 was \$5,250,000. Many states are showing great activity in the collecting of their exhibits, among the foremost of which is Kentucky. Kentucky's legislature failed to make an appropriation, but she will have a representation at the exposition that will surpass the states with appropriations, if her citizens subscribe as they should to the Kentucky Exhibit association fund.

# SPENDING THE FUND.

Every Cent Goes Into Kentucky Building and Exhibits at Fair.

One of the latest folders issued by the Kentucky Exhibit association outlines in brief paragraphs what the funds of the association are to be spent for. These are enumerated as follows: A State building; mineral exhibit, occupying 6,000 square feet of space; agricultural exhibit, occupying 5,000 square feet of space; horticultural exhibit, occupying 3,000 square feet of space; tobacco exhibit, occupying 5,000 square feet of space, out of a total of 10,000 to be given to all tobacco; forestry exhibit, occupying 3,000 square feet of space; educational exhibit, occupying 2,500 square feet of space.

In addition to this, the association is to encourage and stimulate exhibits in live stock, manufactures, whisky, fine arts, liberal arts and all other departments of the exposition. The space for these exhibits is many times as much as Kentucky had at the Chicago World's Fair, and they are to be on a more thorough and extensive scale than was ever attempted before.

# A BUTTON OF SEVEN COLORS.

The Kentucky building to be erected at the St. Louis World's fair has been shown in divers shapes and sizes, but at no time more attractively than on the souvenir button which the Kentucky Exhibit association has placed on sale, with the hope of adding many hundred dollars to its fund for a proper representation of the state at St. Louis. The cut of the button herewith is actual size, but it does not do the souvenir half justice. It is one of these things that must be seen to be appreciated. One and a fourth inches in diameter, it has seven distinct colors in its design—building in purple, sky in gold, lawn in blue grass, foliage of green, walks in gray, lettering in brown and black. The buttons have had a splendid sale so far and every indication points to the entire issue of 25,000 being exhausted.

# EVERYBODY GIVEN A VOTE.

Many a woman has wanted to exercise the right of franchise and every youth awaits impatiently the ending of his minority. In the school teachers' popularity contest of the Kentucky Exhibit association neither sex nor age cuts a figure in the qualifications of a voter. Every woman in the state, every child in the state—boy or girl—as well as every man in the state, is entitled to vote "not only early, but often." In fact, the Exhibit association is anxious to have the ballot box "stuffed." The counting is to be under the supervision of a committee, the honesty of which can not be questioned. Therefore, fairness is assured. Let everybody cast at least one vote in this contest.

The installation of the first exhibit of the World's fair was begun recently. It is the large Duerr boiler sent to St. Louis by the Dueseldorf-Rattinger Rohrenkessel Fabrik of Germany. This boiler will do service in lighting the Liberal Arts building and the grounds during the dedication ceremonies.

## HONOR THE DEAD TODAY!

Place Flowers on the Graves of  
Your Loved Ones.Program For G. A. R. Exercises at  
Monument—Able Address at  
Dieterich's Park.

By law today has been set apart for honoring the Nation's dead; and here in dear old Maysville it is hoped that the entire citizenship will imbibe the spirit of tenderness and affection by placing flowers on the graves of their loved ones.

The Redmen and P. O. S. A. will join the G. A. R. in decorating the graves of their departed brethren.

Many of the industrial establishments will close down at noon, and most of the business

The Pennsylvania Republican State Convention endorsed President Roosevelt for renomination.

Twenty-two Austrian and Italian emigrants were drowned in a collision between a British and a Norwegian steamer.

Mrs. H. C. Froehlich, Mt. Auburn, Cincinnati, was burned to death by her clothing catching fire from some burning rubbish.

Plans have been completed, it is said, by a secret organization with headquarters in Boston, for a great Negro exodus from the South.

W. C. Clifton, a Wyoming murderer, was lynched and hanged from a bridge, his head being cut off by the rope in the forty-foot drop.

Secret Service Agents in New York are trying to locate the source of fraudulent naturalization papers. Fully 5,000 have been sold there recently, some for as high as \$50 each.

Anna Peck, the noted Boston woman mountain climber, is about to undertake the feat of reaching the top of Sonato Mountain, in Bolivia, the highest peak in the new world. The mountain has never been climbed by a man.

A Little Early Riser  
Now and then at bed time will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are the famous little pills that cure by arousing the secretions, moving the bowels gently, yet effectively, and giving such tone and strength to the glands of the stomach and liver that the cause of the trouble is removed entirely, and if their use is continued for a few days there will be no return of the complaint. Sold by J. Jas. Wood & Son.

houses will give their clerks opportunity to attend the exercises, which will be conducted between the hours of 1 and 4 p. m.

All members of Joseph Heiser Post, G. A. R., and all honorably discharged soldiers, together with the P. O. From there they will march to the Soldiers' Monument, where the Post will observe this program—

## BACK GIVES OUT.

Plenty of Maysville Readers Have This Experience.

You tax your kidneys—overwork them. They can't keep up the continual strain. The back gives out—it aches and pains. Urinary troubles set in. Don't wait longer—take Doan's Kidney Pills. Maysville people tell you how they act. Mr. Robert Wise of Forest avenue says:

"Doan's Kidney Pills are from the evidence I have a sure cure for backache. I say this, not from my own experience but also from that of several others who have received the greatest benefit from the treatment. I suffered from pains in my back, a disturbed condition of the kidney secretions and symptoms of an inflamed condition of the bladder. Procuring Doan's Kidney Pills from J. Jas. Wood &amp; Son's Drugstore, corner of West Second and Market streets, they gave me quick and effective relief."

For sale by all dealers. Price 60c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y. Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

While returning from Cincinnati Thursday on an Eastbound Accommodation John F. Fagin, a leading tobacco dealer of Bracken county, was struck by the Westbound Fast Flyer at Mentor. His left arm was broken in two places. The Accommodation had sidetracked for the fast train and Fagin was in the act of getting on his train when struck.

FOR WOMEN.

Zoa Phora Gives New Strength to the Nerves, Makes Rich, Red Blood, Brightens the Mind, Puts the Bloom of Perfect Health On the Cheeks and Cures All Ailments of Women.

## TRIAL BOTTLE MAILED FREE TO ANY WOMAN.

Zoa Phora gives absolute and permanent relief from the dreadful pain and distress of diseases peculiar to women—flooding, leucorrhea, and cures hemorrhoids, displacement, kidney, liver and bladder disease, and at the same time imparts new strength and vigor, builds up and gives new tone to the nervous system. If you are a sufferer and still skeptical, write today to any of the thousands of women who now bless Zoa Phora for saving their lives.  
Mrs. F. C. Gerke, 1235 Swaney avenue, Port Wayne, Ind., writes: "I used Zoa Phora before the birth of my child, and it was the means of giving me a very successful confinement and with little pain at birth. I was in labor only a short time, and feel that I owe the beneficial effects all to Zoa Phora. I will gladly recommend this wonderful medicine to any woman in need, and will give particulars to any one wishing to consult me." Zoa Phora is sold by all druggists in one dollar bottles. Write the Zoa Phora Co., Kalamazoo, Mich., for a free trial bottle and copy of their illustrated medical book, "Dr. Peppercorn's Advice to Women." The doctor will gladly give free medical advice when needed.

## THE BUGLER'S CHEST

Is well expanded. He uses his lungs to their fullest capacity. People in ordinary do not use much over half their lung power. The unused lung surface becomes inert, and offers a prepared ground for the attack of the germs of consumption. There is no need to warn people of the danger of consumption, but warning is constantly needed not to neglect the first symptoms of diseased lungs.

Dr. Pierce's Golden Medical Discovery cures obdurate coughs, bronchitis, bleeding lungs, and other conditions which, if neglected or unskillfully treated, find a fatal termination in consumption. It is entirely free from opiates and narcotics.  
"About three years ago I was taken with a bad cough, vomiting and spitting blood," writes Mr. D. J. Robinson, of Spring Garden, W. Va. "I tried many remedies; nothing seemed to help me till I commenced using Dr. Pierce's Golden Medical Discovery. After using ten bottles and four vials of his 'Pleasant Pellets' I commenced to improve. My case seemed to be almost a hopeless one. Doctors pronounced it ulcer of the lungs. I was sick nearly two years—part of the time bedfast. Was given up to die by all. I thought it would be impossible for me to live over night at one time. I haven't spit any blood now for more than twelve months, and worked on the farm all last summer. It was Dr. Pierce's medicines that cured me."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach. The "Medical Adviser," in paper covers, is sent free on receipt of 21 one-cent stamps to pay for mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

River News

The Sunshine for Pomeroy will be up tonight.

There is a nice little swell in the river at this point.

The Boaz passed up with a tow of empties for Pittsburgh.

The Henry M. Stanley will be down tomorrow from Charleston.

The Joe Williams, Sprague and Alice Brown got as far as Cincinnati, where they laid up.

The unexpected rise in the headwaters streams let out the Cruiser, Fallie, J. C. Risher, Volunteer, Dave Wood, Ranger and Nellie Walton. There will be 8 feet or more, which will let out light boats.

The Snagboat E. A. Woodruff will have a regular Pilot instead of being taken on her trips by packet Pilots who know where obstructions are. No regular Pilot on the boat knows one third as much about snags and other obstructions to be removed as the Pilot on the packets. Civil service is no good in this case and a "stationary" Pilot on the Woodruff wouldn't know as much about snags and other obstructions as a cook.

Captain Sam Bryant, who for many years was Commander of the City of Cincinnati in the Cincinnati and Louisville trade, will place the steamer Golden Gate in the Cincinnati and Manchester trade in opposition to the White Collar Line. She will make her first trip tonight. She will make three trips a week, leaving Cincinnati Tuesdays, Thursdays and Saturdays. Capt. Bryant will be Master of the boat and is financially interested. The Golden Gate formerly operated in the Madison and Cincinnati trade before the City of Wheeling came here.

Captain Alex Calhoun will be one of the pilots of the steamer Golden Gate, which enters the Manchester-Cincinnati trade next week.

Rev. Mr. Musselman of the Baptist Church will preach the Baccalaureate Sermon to the graduates of Hayswood Seminary at the First Presbyterian Church Sunday night.

Mr. Joseph Pomerville of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble without relief, was advised by his druggist, Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man today. It troubled with indigestion, had taste in the mouth, lack of appetite or
